Let a background of sprawling vineyards, lush greenery and stunning views elevate your celebration and leave a lasting impression.

Both of our outdoor ceremony sites, as well as our indoor site, boast stunning views of the vineyard and surrounding wilderness.

Our Vancouver Island Winery has a sprawling open concept floor plan with high ceilings and windows, exposed cedar beams, and a covered and heated wrap-around veranda overlooking our exquisite vineyard.

Throughout the year, our Tasting Bar and Bistro are open to the general public (hours depend on time of year). Booking an event at the winery does not entitle you to exclusive use of the building and grounds, however we will do everything possible to ensure your celebration is kept as personal and perfect as possible.
